March 29, 2012

We are pleased to announce Brookhollow's new Recycling Program, effective 4/18/2012.

Recyclable items include:

White paper	Posters
Colored paper	Junk mail
Envelopes	Cardboard boxes
Legal pads	Window envelopes
Magazines	Brochures/pamphlets
Sticky notes	Newspapers
Phone books	Soft covered books

Non-Recyclable items include:

Glass
Food and containers
Metal hanging file folders
Print cartridge
Styrofoam
Metal
Batteries
Other types of wet trash
Binders

Recyclable items need to be dry (in the case of aluminum and plastic bottles, empty)

This "single stream" process of recycling eliminates the need to separate items. All approved items can be discarded into same trash container. Non-Recyclable Material needs to be taken to the designated area in the tenant suite that has been set aside by the tenant as the collector can for Non-Recyclable Material. This generally is in the kitchen or coffee bar area of a tenant suite.

Each evening BHC cleaning contractor will remove the two types of trash from your suite and place it into the appropriate bins for collection by our trash hauler.

If you have any questions please contact the Management office at (713) 255-2340.

Thank you for your cooperation!
